Дату истечения допуска Вы найдете в последней колонке списка. После этого соответствующий допуск утрачивает силу если производитель не запрашивает продление.

**Смешиваемость:**

**Допущенные компанией Porsche моторные масла можно смешивать друг с другом в рамках одной спецификации масла Porsche** , т. е. при смене масла, в случае использования другого сорта масла, промывка двигателя не требуется. Однако, поскольку масло любой марки имеет свой особый состав, при доливках между сменами масла следует применять по возможности масло той же марки и сорта.
