Весь 2013 год проходит под знаком «911-му 50 лет». В рамках юбилея в июне была представлена **специальная модель**: автомобиль 911 Carrera S, выпущенный в ограниченной серии (всего 1 963 экземпляра) и оснащенный множеством индивидуальных опций Exclusive. Характерной особенностью юбилейной модели являются также **20-дюймовые колесные диски Sport Classic**, при разработке которых за основу был взят вошедший в историю дизайн дисков Fuchs. По программе Exclusive & Tequipment в ноябре появятся 20-дюймовые колесные диски Sport Classic похожего дизайна для моделей 911 Turbo, а также для нового автомобиля Panamera – по желанию в черном цвете (с зеркальным блеском) или в цвете кузова. Наряду со специальной моделью был представлен

также новый автомобиль **911 GT3**.

Поэтому программа Tequipment включает в себя также **набор декоративных наклеек Motorsport**, который предназначен для моделей 911-й серии. В этом выпуске Exclusive & Tequipment мы расскажем Вам о нем. Чтобы продолжить свое

успешное развитие и во второй половине 2013 года, мы разработали **систему поиска принадлежностей Tequipment**, которая доступна на сайте www.porsche.com/tequipment, а также в PPN. Подробности об этой системе Вы также узнаете в данном выпуске новостей

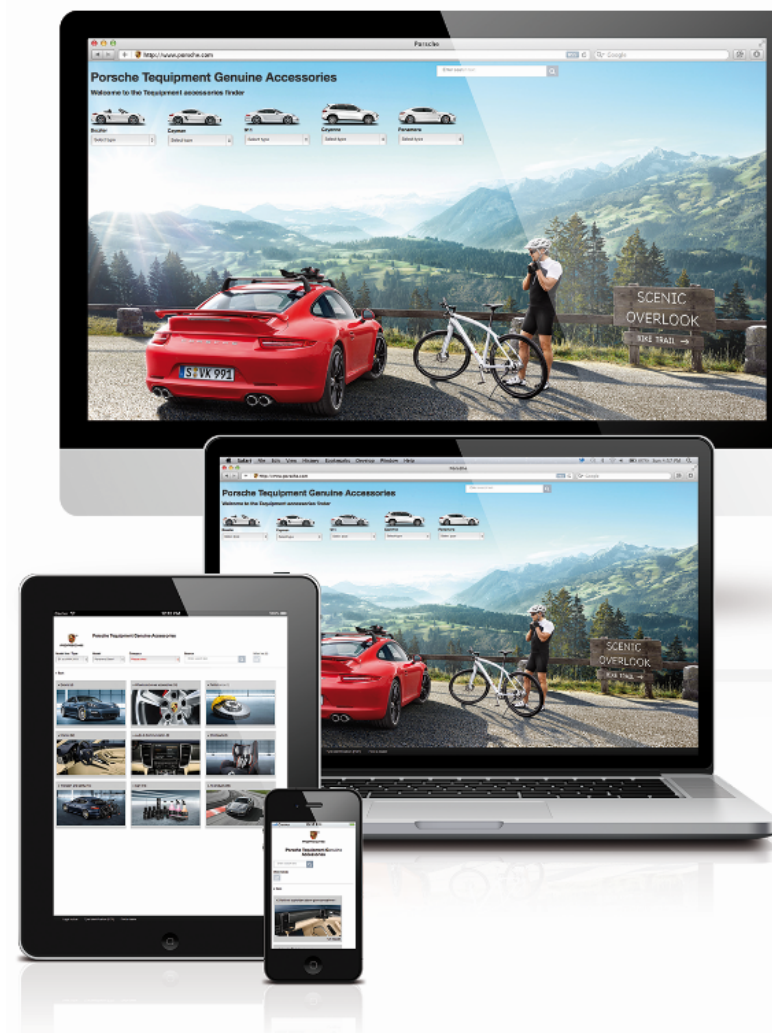

Exclusive & Tequipment.

А в приложении Вы найдете **стандартные сочетания цветов** для всех **опций СТ**, предназначенных для автомобилей м.г. Е.

Как и прежде, в приложении приведен **ассортимент продукции Tequipment**.

Отныне клиенты Porsche во всем мире с помощью «системы поиска принадлежностей Tequipment» смогут найти любую информацию по продукции программы Porsche Tequipment, посетив веб-сайт www.porsche.com/tequipment. Новая функция поиска онлайн-портала позволяет быстро и без труда знакомиться с ассортиментом принадлежностей Porsche по таким категориям, как экстерьер, ходовые качества, транспортировка, защита, колеса или принадлежности для них. «Система поиска принадлежностей Tequipment» имеет функцию поиска по всему доступному ассортименту Porsche Tequipment для конкретной модели, а также функцию поиска по ключевым словам. Возможности последующей индивидуализации благода-

ря продукции программы Porsche Tequipment весьма разнообразны: они включают в себя как пакеты SportDesign и пакеты для увеличения мощности автомобиля, так и классические принадлежности, например, комплекты колесных дисков, средства для ухода за автомобилем или детские кресла. В «Системе поиска принадлежностей Tequipment» наглядно представлено более 300 опций с учетом конкретного модельного ряда и модели. Система позволяет сохранять интересные опции, а также отправлять их в виде списка-памятки в местный центр Porsche, который по традиции возьмет на себя весь процесс заказа и окажет все другие необходимые услуги. Подробности читайте в приложении 2.

20-дюймовые колесные диски Sport Classic

Кованые легкосплавные диски, цельные, с 5 спицами в дизайне Sport Classic. Окрашены в светло-серый металлик (GT Silver Metallic) с закраинами обода, вся поверхность которых отполирована до блеска. На заводе устанавливается накладку ступицы колеса с цветным гербом Porsche и системой защиты от кражи. Пер. ось: 9 J x 20 ET 51; 11,5 J x 20 ET 56

Примечание: доступно только для моделей 911 Turbo/Turbo S.

В наличии: 11/2013

Код для заказа: XRU

В наличии: 02/2014

№: 991 044 602 40

Накладки порогов

Накладки порогов EXC/TEQ были разработаны заново в связи с изменением их серийных компонентов. Начало установки новых накладок порогов EXC/TEQ в моделях 911-й серии (м.г. Е) запланировано на 11/2013. Модификации подверглись следующие накладки порогов:

- Накладки порогов из карбона (код для заказа: **X69**, новый номер запчасти: **991 044 802 20 – 23, 991 044 800 24 – 25**)
- Накладки порогов из карбона, с подсветкой (код для заказа: **XXD**), новый номер запчасти: **991 044 802 30 – 33, 991 044 800 34 – 39**)
- Индивидуальные накладки порогов из карбона, с подсветкой (код для заказа: **CXE**)
- Накладки порогов из высококачественной стали (код для заказа: **X70**, новый номер запчасти: **991 044 802 00-03, 991 044 800 04 - 08**)
- Накладки порогов из высококачественной стали, с подсветкой (код для заказа: **XXB**, новый номер запчасти: **991 044 802 10 – 13, 991 044 800 14-19**)
- Индивидуальные накладки порогов из высококачественной стали, с подсветкой (код для заказа: **CXC**)

Просьба учитывать, что программа Tequipment для автомобилей, произведенных в м.г. Е, предусматривает дооснащение только новыми накладками порогов.

Затемненные задние фонари

Рассеиватель фонаря из прозрачного стекла, внутренние элементы частично в черном цвете.

PORSCHE
**EXCLUSIVE &
TEQUIPMENT**

Introduction TEQ Finder

Facts & Figures

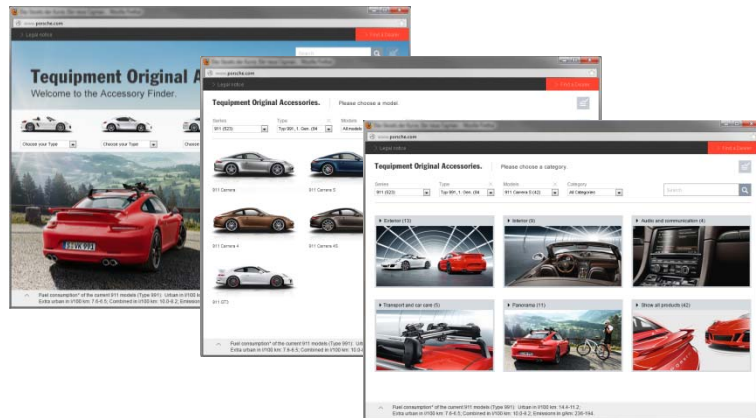

- + Web-based TEQ “configurator” with all required information about TEQ products
- + 320 products
- + 1,200 part numbers (incl. market specific part no.)
- + Available in 12 Porsche languages
- + Market specific prices (per country)

TEQ Finder Database

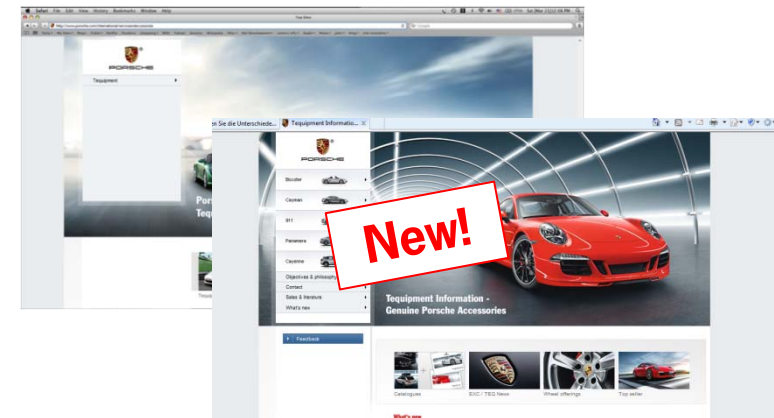

TEQ Finder for customer

- + Visible for all customers worldwide
(www.porsche.com....)

TEQ Finder for dealer/importer

- + Visible for all dealers worldwide **via PPN – „Product Information Tequipment“ in a new design**
- + **Additional TEQ Finder features* for dealers:** sales arguments, installation time

*further features e.g. VIN search , part number search will follow soon...

Tequipment Accessories e-mobility

For e-hybrid models incl. 918 Spyder the following accessories are being developed

Item	Functionality	Available	Comment/Recommendation
Charging Pedestal	• Same as showroom Charging Pedestal for dealer equipment • To mount the Charging Dock in the exterior in case it is not possible to be mounted on a wall • Glass surface with Porsche lettering	Expected: 04/2014	• From 04/2014 the glass Charging Pedestal will be exclusively available via Tequipment (for end customer as well as dealer equipment)
Charging Cable (mode 3)	• Mode 3 = For public charging • Type 2 plug for EU/ROW (excl. USA, Canada, Australia, New Zealand, China, Japan, Parts of Latin America)	Expected: 04/2014	• Suggested length of the cable = 7,5 m

Single items of the standard charging equipment are available as spare parts and are not Tequipment product. If a customer requires an additional Charging Dock or vehicle cable this can be ordered as spare part.

Introduction

A new Ordering Process for 918 Spyder Speed Charging Station and Luggage Sets is in place since August 15, 2013.

l-option 577

918 Spyder Luggage Set, 5 items (Onyx Black/Acid Green)

l-option 629

Porsche Speed Charging Station (DC)

- Due to logistics and importation the two options cannot be imported with the car but have to be ordered separately.
- The ordering process via Tequipment is in place since August 15, 2013.
- The products will be available in the beginning of 2014.
- This market information was introduced in calendar weeks 31/32.

Tequipment Ordering Process: Important Information

- When ordering via Tequipment, the vehicle's commission number must be entered in the free text box
- For GIM markets Tequipment Supply Chain Management (VKI5) will create Tequipment orders in SAP for all PVA orders as of 15.08.2013
- Set-up of both products in „Dealer Fitted Options“ in PVA is highly recommended (if applicable for the market)
- For non-EUR/USD markets the Tequipment retail price may differ from the original retail price of the I-option due to different taxes for customs and importation (e.g. landing costs)

Important Notes Regarding 918 Spyder with Weissach-Package

To achieve a reduced weight, certain standard equipment will be omitted with the Weissach-Package. This has to be considered during the ordering process.

Porsche Speed Charging Station (DC)

- For 918 Spyder with Weissach-Package **the I-option „Speed Charging Preparation“** has to be actively ordered if the customer wants to use the Speed Charging Station.
- Without the preparation speed charging will not be possible. The function is **not retrofittable**.
- The „Speed Charging Preparation“ is a **no-cost I-option** (Code: 661)

Luggage Sets: Glove Box Case

- The 918 Spyder with Weissach-Package will be produced **without a glove box** unless no-cost I-option P16 is selected
- The **glove box case** is part of the 5-item luggage set and 2-item storage set.

Glove Box Case (Onyx Black/Acid Green)

More Information

You will find part numbers on the last two pages

If you require further information regarding

- PIA-AM ordering process: Please contact your PSO market support
- Tequipment ordering process: Please contact your market support through PRMS
