# Exclusive & Tequipment News Issue 2/2013

Porsche remains on the road to success in 2013. In the first half of 2013 alone, the Panamera G1 II, the new 911 Turbo/Turbo S and the 911 GT3 were presented to the public.

A number of options for personalising the new models will of course be available in the Porsche Exclusive & Tequipment product range which we will be presenting in this issue of Exclusive & Tequipment News.

For the first time, we will also be providing a selection of **Exclusive features** for the **918 Spyder**.

As usual, we will be informing you about new additions and changes to the Exclusive & Tequipment product range.

### **Table of contents**

### 1. Latest additions to the Exclusive & Tequipment range

a) Boxster/Cayman	р. 3
b) 911	p. 4
c) Panamera	р. 6
d) Cayenne	p. 14
e) 918 Spyder	p. 15
f) Other new additions to the Exclusive & Tequipment range	p. 17

### **Attachments**

- 1) Overview sheet of Exclusive & Tequipment range
- 2) EXC/CT options with decorative stitching MYE
- 3) Product availability PVTS Panamera (G1 II) MYE
- 4) Colour codes "Car key, painted" MYE
- 5) Overview of navigation update part numbers for all PCM generations

We are also including an overview of all our Exclusive and Custom Tailoring options which can be ordered in contrasting decorative seam colours.

As usual, the **updated Tequipment product range** will be sent to you together with your copy of Exclusive & Tequipment

News. It includes the new models as well as the E1 and 9x7.

For further information about "Tequipment Genuine Accessories", please visit the "Service and Accessories" page on our **newly designed website** www.porsche.com.

### New 911 door entry guards

Because of a change to a standard entry guard component between MY D and MY E, the EXC variant also had to be redeveloped. The new introduction date of all EXC door entry guards for 911 models (MY E) at the present time is 09/2013.

The following door entry guards are affected by the modification:

- Door entry guards in carbon (order code: X69)
- Door entry guards in carbon, illuminated (order code: XXD)
- Personalised door entry guards in carbon, illuminated (order code: CXE)
- Door entry guards in stainless steel (order code: X70)
- Door entry guards in stainless steel, illuminated (order code: XXB)
- Personalised door entry guards in stainless steel, illuminated (order code: CXC)

Please also note that vehicles produced in MY E can only be retrofitted by Tequipment using the newly developed door entry guards. As soon as the new door entry guards can be ordered via EXC and TEC, we will provide you with the new order codes and part numbers.

Available: immediately No.: 991 044 900 70 - 85

**918** Spyder wheel painted in Platinum (satin-gloss) 918 Spyder wheel painted completely in Platinum (satin-gloss).

### I-number update for 918 Spyder MY F

Details of the individual options presented in the 918 Spyder News "Rocket. Science. The new 918 Spyder." in September 2012 are being updated because of additional product features and further development, and more options are being added. The new options can be ordered as of now.

### Weissach package film wrap

Complete film wrap in Black Grey

A complete film wrap further reduces the weight similar to the motor sports version of the 918 Spyder.

Maximum weight reduction due to the omission of a paint finish (approx. 2.5 kg)

Available: immediately I-no.: 892

Martini Racing Design film

Martini Racing Design film on white paint, for a surface of the highest quality.

Based on the Porsche 917 in Martini Racing Design. Winner of the 24 Hours of Le Mans in 1971. Held the distance record at Le Mans for almost 40 years.

Available: immediately

I-no.: 901

Salzburg Racing Design film

Salzburg Racing Design film on white paint, for a surface of the highest quality.

Based on the Porsche 917 in Salzburg Racing Design. The first overall victory at the 24 hours of Le Mans in 1970.

Available: immediately I-no.: 902

Standard lightweight bucket seat

Lightweight bucket seat with additional seat pad

Lightweight bucket seat with the shape and outline of a standard lightweight bucket seat. To make it easier to get into the car on the driver's/passenger's side, the carbon part of the side bolster in the area between the seat surface and backrest is finished in leather.

This makes it easier to get into the car, especially when the seat is in a high position.

Price: without extra charge Available: immediately

I-no.: 871

### Cupholder

Cupholder that can be mounted on the passenger side centre console.

If the push-on cupholder is not needed, it can be detached from the centre console.

It is suitable for cups with a capacity of half a litre. Additional storage option for small objects such as loose change.

Price: without extra charge Available: immediately

I-no.: 585

Old: silver-coloured decorative sleeves

New: black rubber valves

### Tequipment wheel-and-tyre sets: replacement of valves with standard

From August 2013, all Tequipment wheel-and-tyre sets (without TPM) will be fitted with standard rubber valves.

Silver-coloured decorative sleeves with an embossed Porsche crest will still be available from the Tequipment retrofit range.

Available: 08/2013 No.: All Tequipment wheel-and-tyre sets (without TPM)

Change to "Car key, painted" offer

At the end of the MY, a new "Car key, painted" option is being introduced.

The Exclusive option covers both sides of the vehicle key (first key and second key) painted in exterior colour.

The order codes will change at the end of the MY as follows: Boxster: phase-out of "CWK" and use of "CPK" from 01/2013 Cayman: phase-out of "CWK" and use of "CPK" from 04/2013 Panamera: phase-out of "CWK" and use of "CPK" from the end of the MY Cayenne: phase-out of "AWK" and use of "APK" from the end of the MY.

The Tequipment offer includes 2 painted sides for the car key.

Please refer to the table in **Attachment 4** for the colours available from MY E and the colour codes.

The new product name "All-weather floor mats" From the end of the MY, the product name for the "Rubber floor mats" option is being changed. The new name for all model lines is "All-weather floor mats". The product features remain unchanged.

Overview of navigation update part numbers for all PCM generations

In Attachment 5, you will find an overview of part numbers for the navigation updates PCM 1.0, 2.0/2.1, 3.0/3.1 with the latest data version. Included are new part numbers for the PCM 2.0/2.1 USA and for the PCM 3.0/3.1 China with the model year 2013 data version.

Overview of EXC/CT options in contrasting decorative stitching colours

Please refer to Attachment 2 for an overview of the Exclusive and Custom Tailoring options that can be ordered in contrasting decorative stitching colours.

Available: from the end of the MY No.: 981 044 800 41 (9x1) 970 044 800 08-10 (G1 II) 958 044 800 51-54 (E2)
